Biography

The Diggles Family started as a part time ministry with their first concert on August 15, 2004, in Butler, NJ. They did not know at the time God was actually preparing them for full time ministry which has been the desire of their hearts. On November 4, 2004, Doug lost his full time job. The adventure God was leading his family on took a new turn. They felt God had opened the door leading them into *full time* ministry just 3 months after their ministry began!

The Diggles Family is lead by Doug Diggles who sings from his heart. He had been singing for the Lord as a solo artist for over 2 decades before his family joined him in song forming Diggles Family Ministries, Inc., a 501 (c) (3) nonprofit organization. His voice is truly anointed, and when he sings you not only hear the song but you feel it as well. Doug enjoys singing lead, tenor, baritone, and bass, but his favorite part is bass. He also enjoys playing the piano. Doug has written one song, the title track of their album *You Are My Strength*. He is the Music Minister at First Christian Church (an Independent Christian Church) in Lexington, KY. This is a part time position which allows The Diggles Family to continue traveling ALL around the USA.

Christina has a wonderful ear for harmony and enjoys singing, sign language, reading, art, and more. She has been reading and studying the Bible for many years and can recite many chapters of scripture. Christina has read through the New Testament at least 8 times. She also enjoys playing the violin, viola, guitar, classical guitar, piano, mountain dulcimer, and mandolin, but the violin is her favorite! She helps in arranging songs and picking out parts for Katie on her instruments.

Katie enjoys being able to add the third part in their family harmony. She enjoys singing, sign language, memorizing and reciting chapters of scripture, reading, art, and more. Katie is also musically gifted, and plays the violin, mandolin, piano, and mountain dulcimer. She is also beginning to arrange instrumental pieces. Her favorite songs are the ones that include the whole family! She was baptized by her daddy on May 6, 2007, joining the rest of her family in the decision to follow, love, and serve the Lord Jesus Christ!

Diane brings an extra beauty to many of the songs by interpreting them through sign language. She also runs the sound board, handles their scheduling, and does the ministry's computer work including creating and maintaining their website.

Diane and Doug love homeschooling their girls and spending so much time together. Diggles Family Ministries, Inc. is a true family ministry. They work, play, sing, travel, school, and minister together as a Family.
